

# GIRLS ROCK!

## CHAMPAIGN-URBANA

Girls Rock! Champaign-Urbana is a nonprofit organization that is entirely donations-funded and volunteer-operated

We need your help to continue to create spaces where girls, women, transgender, and gender non-conforming folks are encouraged to speak up, rock out, and make a lot of noise to ensure that they recognize the power of their voices and their potential in our society.

### Can you help us with a monetary or in-kind donation?

GR!CU welcomes all attendees to our camps and programs regardless of their ability to pay tuition. Donations directly support our programs and insure no one is ever turned away for lack of funds.
